S I R :

The owner of the entire (100% undivided) right, title and
interest in the present application, namely the Assignee of
record (Assignment recorded on June 30, 2004 at Reel 014801,
Frame 0025), herewith disclaims the terminal part of the
statutory term of any patent granted on the above-identified
present application which extends beyond the full statutory term
defined in 35 USC 154 to 156 of the following commonly owned
issued patents:

Patent No.: 6,747,809 Issue Date: June 8, 2004

Appln. No. 10/820,368
Terminal Disclaimer dated August 5, 2005
Reply to Office Action of May 10, 2005

Patent No.: 6,813,093 Issue Date: November 2, 2004

Any patent granted on the above-identified present application shall be enforceable only for and during such period that the patent granted on the above-identified present application is commonly owned with said commonly owned issued patents.

This Agreement is to run with any patent granted on the above-identified present application and is to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, there is no disclaimer of the terminal part of any patent granted on the present application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 of said commonly owned issued patents in the event that one or both of said commonly owned issued patents later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term.
